LOCALS.

L. S. Wiley was here on Tuesday.

Mrs. Alice Kennedy is improving and will soon be well again.

Miss Willia Gilbert's condition is not much improved at this writing.

J. H. McKey Esq. of Iron City was here Monday on legal business.

Bro. Cherry was "loaded for bar" last Sunday and shelled the woods at short range.

Mrs. D. E. Rose is convalescing from a severe attack of parotitis, mumps.

D. E. Rose returned from Ga. last Saturday reporting a pleasant but hurried trip.

We have examined the new millinery goods of Mrs. Parkes and they are just exquisite.

Will, the young son of Ale. Simonton (C), was pardoned by Gov. Taylor and is now at home.

Nix's mill is again in running order and B. Kemper is the boss miller. He says bring on your grist.

Gov. G. M. Taylor for good night, Ladies' Wagon.

Leave your laundry work with C. H. Bentley, agent for Columbia steam Laundry.

Lumber is on the ground for a new foot bridge on South Military street. A much needed improvement for which a nervous public will be duly thankful.

The corpses of honest old Isaac Waitco were numerous last week and the funny tribe were thinned to a wonderful extent that is if you swallowed all the yarns told.

We are pleased to know that it is the settled determination of the Normal to have its own grounds and buildings at as early a day as possible.

Sneak thieves attempted to enter the residence of J. M. Gilmore last Sunday night but a couple of loads of buck shot put

quicker on their burglarious designs.

J. S. Brewer, of Town Creek, Ala, an old resident of this county, was in to see us Tuesday last, Mr. B. is conducting a rushing real estate business in his section.

Geo. Sanders, Green Hamilton and D. C. Hill caught two foxes killed nine rabbits; four birds, cut a bee tree, hived the bees and got two buckets of honey all in one day last week. This was in addition to their regular work and they were not much fatigued either.

Jno. B. Kennedy's office was removed Tuesday to the Grand Jury room in second story of the court house. His new quarters are neat and commodious. Parties having business in the circuit court clerk's office will make a note of this removal and call up stairs.

H. B. Sowell, Secretary, sent out invitations to the Masonic lodge at Wayland Springs, Appleton, Henryville and Pleasant Point to be present on May 1st and witness the consecration of Mimosa Lodge and the installation of its officers which, as has been previously stated, occurs on that date.

manship and finish. We cannot refrain a word for the always polite and business like shoveler of the cash, J. M. Gilmore, and his assistant Jimmie Dunn. Jim is a rapid and accurate accountant and his books are models of neatness. D. Guthrie the president is too well known as an able and safe financier to need remark at our hands.

Miss Lizzie McDonald, of Fountain Creek, Tenn, has been employed to take charge of the Primary Department at the Normal for the remaining two months of this term. Miss McDonald is a graduate of Howard Female College, and has had some experience in teaching. Her work in teaching hitherto has proved very satisfactory, and we have no doubt the little ones will make rapid progress under her instructions.

We were kindly allowed by J. M. Gilmore cashier to see a statement of the financial condition of the LAWRENCE BANK AND TRUST CO.'s affairs, prepared for its Board of directors this week, and which must have been gratifying to these gentlemen. The institution has but just commenced business, rearing its charter in January we think, and has thus early gained the confidence of the business world in the fullest measure. The course of the directors has been such from the start as to inspire this confidence and it is an institution of which we are all proud. The Company owns its own substantial and neat building constructed especially for its use. It has an absolutely fire proof and burglar proof vault and safe. The safe is a triple time lock McNeal and Urban and a beauty in work.

Notice.

All parties are positively for bidden to fish in our mill pond. We will report any one fishing there.
